Fundraising

- There have been some parent concerns voiced about the amount of times the school has been asking for money
- We will be very explicit next year about what the funds are being raised for and how they are being allocated - School fundraising (parent council - we ran three events Move a-thon, movie night and gift cards) VS community/charity fundraising like Jump Rope for Heart, Terry Fox Run week of giving etc.
- Also several events/opportunities are offered throughout the year that are optional (Pizza lunches, popcorn days etc.)
- Additionally, a goal next year will be to communicate clearly about financial expectations involved for field trips for the year as early as possible as well so parents can plan ahead

Movie Night Report - Kelly

- 200 people attended
- \$597 was raised at movie night after all of our costs were accounted for
- Clean up was a lot better this time

Fun Fair Update - Kelly - JUNE 8th 5:30 -8:00

- Plan is to send home an info page that will outline all the events and booths that will be available for the night
- We are in need of more volunteers for this event - we are hoping that more high school students will sign up to volunteer to run some of the stations as well.
- Sherri will contact a few staff members from Huron Heights to reach out to more students
- Proposal was put forth regarding the Bake Sale that will occur at the funfair - Funds raised from proceeds will continue to pay for the sound equipment and the cordless mics that were purchased for the school (Kelly motioned, Meghan seconded, vote occurred - motion passed)
-
- NEXT FUN FAIR MEETING - May 30th at 6:00pm at 936 Parkvale Crt.

- Kelly will send out a final report / update with the totals that we can discuss informally at our June meeting

Treasurer Report

- Currently there is \$2900 in the account - a detailed report is not yet available from the office staff.

Other Updates

- Kelly is moving and as such will not be running for the parent council chair position next year, please consider if this is a role you would like to take on
- Voting for the positions occurs at the first meeting of the year. If you are interested in letting your name stand for one of the positions you will need to be present at this first meeting of the year
- If you have any questions about any of the positions you can refer to the council minutes or speak to Kelly
- Move-a-thon has not been booked for next year - so that will be something to commit to early in the fall if this is an even we'd like to run again next year
- Aniko brought forth a fundraising idea for the fall that we will have to consider soon
